CHIEF SECRETARIAT

READ—

1. Government Order No. W. 1103-1172—W. 124-40-3, dated 8th December 1941, passing orders regarding concessions shown to candidates with War Service seeking civil employment after the war.

2. Government Order No. W. 607-676—46, dated 3rd December 1946, directing among other matters, the continuance or otherwise of vacancies reserved for the purpose of absorbing the candidates with war service seeking civil employment.

3. Government Order No. E. 973-1065—R. & P.S. 37-50-2, dated 26th April 1952, issuing directions with regard to counting of approved completed years of war service towards the initial fixation of pay to war service candidates when appointed to civil posts.

4. Letter No. W—221-207, dated 30th January 1954, from the Recruiting Officer, Headquarters Recruiting Area South, Bangalore, in the matter of modifying the Government Order, dated 26th April 1952 read above.

5. Unofficial Note No. S. 302—G. 156—P.S.C. 53-54, dated 8th May 1954, from the Secretary, Public Service Commission, Bangalore, furnishing the opinion of the Commission in the matter.

ORDER No. E. 5609-700—R. & P.S. 19-54-3, DATED BANGALORE, THE 6TH AUGUST 1954.

In Government Order No. E. 973-1065—R. & P.S. 37-50-2, dated 26th April 1954, it was ordered as follows :—

(*a*) In the case of a person appointed after 1st January 1947 to a reserved vacancy in a post, the scale of pay of which has been revised with effect from that

date, his initial pay must be fixed in the revised scale at a stage which he would have drawn had he rendered service in that post for a period which is equal to the length of his constructive war service and for purposes of calculating weightage, the Government Order No. Fl. 2682-2741—S. & A. 25-47-20, dated 14th October 1947, issuing instructions regarding grant of weightage to officials in the revised scales of pay may be applied in the case of ex-servicemen also.

(*b*) Further, the period of war service rendered before 1st April 1941 or before the date a person attained the age of 23 in the case of Brahmins and 26 in the case of Backward Communities (*i.e.*, two years less than the prescribed age limit for entry into service) whichever is later, shall not be taken into account for purpose of determining war service.

(*c*) These concessions may be made applicable only to those who have been or will be appointed in reserved vacancies for ex-servicemen.

The Recruiting Officer, Headquarters Recruiting Area South, Bangalore, states that in view of the direction contained in item (*b*) of the abovesaid order, many Ex-servicemen (Forward and Backward classes) are debarred from accruing the benefits of war service due to the mere incidence of having enrolled themselves while young, *i.e.*, before 23 years and 26 years, respectively and that it would be helpful if this is modified with a view to redress the grievances of those Ex-servicemen who are adversely affected by it.

The Public Service Commission who were consulted in the matter have recommended that the prescribed age of 23 and 26 in the case of Forward and Backward community candidates be reduced to 20 and 18, respectively.

The recommendation of the Public Service Commission is approved.

N. PUTTARANGASWAMY,
Chief Secretary to Government.
